**Massage Enhancements**

Relaxing/$100     Firm/$105     Deep/$115
The perfect blend! We’ll target your stress with 60 minutes of massage followed by 15 minutes of essential-oil infused steam therapy in your personal steam canopy. While enjoying the benefits of the steam you will receive the ultimate scalp massage.

Features warm river stones which are strategically placed on your body and used as a massage tool to work the soreness out of tight muscles. The stones help to soften muscle tissue, increase circulation and allow you to achieve blissful relaxation.

We start by dry brushing your skin to increase circulation and kick start your lymphatic system. Next, a smooth, hydrating, detoxifying mud is liberally applied to the skin. Cocooned and allowed to set, the mud detoxifies impurities from the body, tones and replenishes moisture. Leave feeling like new!

A light exfoliation preps the skin for a pure state of relaxation. The natural essence of pure lavender with patchouli, lemon, nutmeg, basil and eucalyptus. This blend of essential oils soothes the mind with its calming aroma. A quick shower followed by an hour aromatherapy infused relaxation massage. Pure bliss!

This creamy blend of natural sugar cane, shea & mango butter gently exfoliates leaving the body oh-so-smooth. A quick shower with sweetly scented body wash infused with grapefruit, orange & vanilla prepares your skin for a 60 minute relaxing massage with sugar smoothie body cream. What a sweet treatment!

Heated, aromatic essential oils of lavender, cypress, rosemary, thyme and geranium are smoothed all over your skin. While you are cocooned in warm blankets you are given the ultimate scalp massage.
